

Thank You for Applying to be a Guest

When we approve your application, you will receive a link to schedule the interview via Calendly and the interview will follow this script:

These are the questions I am going to ask you:

Are you ready to talk about how to build a better business?

How did you get started in (your expertise and/or business)?

What do you do consistently everyday that makes up your blueprint for success?

What barriers have you faced and how did you overcome them?

How do you celebrate success?

Knowing what you now know, what advice would you give your younger self?

Up next is the teaching moment, in one or two words what are you going to teach us?

Let's here from our sponsors.

(We will pause silently here for about 10-seconds)

Your going to teach us about (your expertise), I want to know two things:

First, what is the most important thing we need to know about (your expertise)?

Second, how does this help us build a better business?

You rocked the teaching moment. Thanks for doing this interview.
